To: Community Mental Health Center (30) Provider Letter A-81

Subject: Approval of ARNP's to Provide Therapeutic Rehabilitation Program Services in the Community Mental Health Center setting

Dear KY Medicaid Provider:

The Department for Medicaid Services acknowledges the proposal for Advanced Registered Nurse Practitioners to provide Therapeutic Rehabilitation Program Services in the Community Mental Health Center (CMHC) setting. This practice is approved and centers may begin billing for these services. This change will be incorporated into the revised CMHC Services Manual.

The Department appreciates your continued participation in the Medicaid program and the invaluable services you provide to our recipients. If you have any questions or require additional information, please contact Shelley Adams, Branch Manager, at (502) 564-5560.

Sincerely,

Elizabeth A. Johnson
Commissioner
